

### Large Format Scanning for:

- > Professional Service Providers
- > CAD, AEC, Mapping & GIS Professionals
- > Engineering & Management Companies

## CHAMELEON G600

Optimize your scanning with the **CHAMELEON G600** scanner, designed to give professionals the best in high speed full color and monochrome scanning. The **36"** imaging area is perfect for engineering drawings, architectural sketches, blueprints, sepias, detailed maps, drawings and large color posters.

- > Superior color and monochrome scanning speeds
- > High quality scanner at an affordable price
- > High durability - easy maintenance and calibration

**FEATURES:** **High Scanning Resolution** at 600-dpi ensuring outstanding image quality. **Automatic Thickness Adjustment Control (ATAC)** allowing scanning of up to 15 mm media thickness. Advanced **48-bit CCD Technology** guaranteeing picture-perfect details. The **All-Wheel-Drive** cares for your originals and protects valuable documents.

CHAMELEON G600 features Context Energy Saver and RoHS Compliancey - key elements that help protect the environment.

# CHAMELEON G600

The high performance CHAMELEON G600 scanner allows ultra fast and effective monochrome scanning with the option to scan in perfect color - a cost-effective solution for CAD, AEC and GIS professionals worldwide.

## COPYING MADE EASY

Connect the CHAMELEON G600 scanner with a large-format printer and you get the perfect large format color and monochrome digital copier. With the scanner's high precision of details and colors, users can enlarge their creations to full display sizes without losing quality. Getting the right settings for your copy job is easy. Special monochrome copy modes, each fitted to specific original types are supported by the scanner's digital image processing.

## ONE TOUCH SCANNING

The CHAMELEON G600 operator's panel is designed with convenient programmable action buttons for initiating common tasks directly from the scanner. Each button immediately activates a scan and opens the image in an appropriate application and format. The scanner comes with action buttons for scanning, copying and e-mailing loaded originals and can be reconfigured for other tasks. Scanning has never been easier!
